An Exclusive Personal Accident cover for Motor Takaful Policy holders from Amāna Takaful Maldives

Republic of Maldives, Male' City, September 21st 2014:

Dhahanaa Safe Drive is the innovative 24 hour cover for Motor Takaful policy holders. More often than not, 'Accidents' are associated with traffic movements. Experience however tells us that injuries and possibly death can happen in surroundings regarded as more 'safe areas' – like homes, offices etc. While a standard comprehensive motor Takaful will have the option of extending cover to owner as either a driver or passenger of the vehicle, the scope of cover will be limited to an accident whilst in the vehicle. **Dhahanaa Safe Drive** however is complete protection whether one is at home, on the road, in office or even a public area like restaurants.

"It is important to understand the needs of the Clients. There is a general need among clients for additional protection in a situation where there is an accident anywhere resulting in injury or death. Personal accident covers are generally offered to corporate entities for employees. But taking into account the level to which people can be exposed, Amāna Takaful (Maldives) PLC thought of extending our reach to our clients who are holders of any motor Takaful Policy. While not restricting the benefit to only road accidents, it also is priced very affordably" Said Mr. Hareez Sulaiman, Managing Director.

Any Motor Takaful policy holder can apply for *Dhahanaa Safe drive*, which offers the cover limit of MVR 30,000 per annum for an affordable price of just MVR 60. It also provides the flexibility of extending the limit to MVR. 150,000 per annum. This shall permit an individual to apply up to five policies. Policies are issued over the counter in ticket form based on submission of the National Identity Card.

Amāna Takaful believes in offering what clients want and focuses on customizing its solutions. The wide range of General Takaful solutions offered by the company at present include, Motor, Hull, Medical, Fire, Marine and various miscellaneous cover.
